

DEN OF NALORAKK **DPS QUICK SHEET**

Midnight Season 2 • Patch 12.1 PTR • PTR Draft 0.9 • 27 July 2026

PRIORITY TRASH CALLS

Keen-Eyed Screecher — Piercing Screech: interrupt / stop.

Spirit of Hunger — Starvation Effigy: kill immediately.

The Winter Squall — Harsh Winds: kill first.

Grizzled Warbringer — Poison Spear Volley: dodge.

Grizzled Warbringer — Primal Echo: use a personal.

BOSS CUES

1 BOSS

THE HOARDMONGER

Clear mushrooms safely → dodge slams → defensive the roar.

Wipe: Ignoring mushrooms applies Toxic Spores to the whole party.

3 BOSS

NALORAKK

Drop outside → intercept one lane → avoid stored echoes.

Wipe: Poorly placed echoes repeat Echoing Maul and can make the arena unusable.

2 BOSS

SENTINEL OF WINTER

Kill cores → soak fragment → get inside.

Wipe: An unsoaked Rimeshatter damages and roots the whole party.

ROUTE + LIVE CHECK

Foraging → Hoardmonger → Winter → Sentinel → Heart of Rage → Nalorakk.

Red or “live verification” text is provisional PTR guidance.

Mechanics beat uptime.

DPS SURVIVAL REMINDERS

- Top priorities: Piercing Screech, Starvation Effigy, The Winter Squall and Volatile Totems.
- Movement: dodge Poison Spear Volley and keep clean shelter routes in the winter gauntlet.
- Personal defensives: boss roars, Frozen Tempest and difficult Fury sequences.

Blue = Tank • Green = Healer • Orange = DPS • Red = Wipe / Live Check

DEN OF NALORAKK **DPS PLAYBOOK**

Midnight Season 2 • Patch 12.1 PTR • PTR Draft 0.9 • 27 July 2026

DUNGEON OVERVIEW

- Top priorities: Piercing Screech, Starvation Effigy, The Winter Squall and Volatile Totems.
- Movement: dodge Poison Spear Volley and keep clean shelter routes in the winter gauntlet.
- Personal defensives: boss roars, Frozen Tempest and difficult Fury sequences.
- Mechanics beat uptime: clear mushrooms, soak Rimeshatter and place echoes outside.

OPENING TRASH — THE FORAGING

Keen-Eyed Screecher — Piercing Screech: Top interrupt/stop priority. Prevent the party-wide silence.

Keen-Eyed Screecher — Razor Dive: Use a defensive if targeted repeatedly; stop the eagle where possible.

Spirit of Hunger — Starvation Effigy: Immediate swap: kill the Starvation Effigy before health reduction stacks.

Territorial Matriarch — Mother's Wrath: Use a stop if available and give the healer room to dispel.

THE HOARDMONGER

Your Job: Destroy or safely trigger Rotten Mushrooms before they burst. Maintain damage while the tank guides the boss to a resource pile.

Interrupt / Priority: Rotten Mushrooms are the priority mechanic; clear them before Putrid Burst.

Avoid: Earthshatter Slam, Bonespike Slam and bone spikes. Running through multiple mushrooms.

Defensive: Use a personal for a roar overlapping Toxic Spores.

Wipe Mechanic: Ignoring mushrooms applies Toxic Spores to the whole party.

Quick reminder: Clear mushrooms safely → dodge slams → defensive the roar.

AFTER THE HOARDMONGER — WINTER GAUNTLET

The Winter Squall — Harsh Winds: Priority target. Kill The Winter Squall to end Harsh Winds.

Glacial Revenant — Current PTR ability package: Live verification required; observe the cast bar and stop dangerous casts.

Frigid Mauler / Terra Rumbler — Current PTR ability package: Live verification required; respect frontals and ground telegraphs.

DEN OF NALORAKK — CONTINUED

Midnight Season 2 • Patch 12.1 PTR • PTR Draft 0.9 • 27 July 2026

SENTINEL OF WINTER

Your Job: Swap to Fractured Shivercores. Soak assigned Rimeshatter impacts. Move inside the boss's 10-yard safe zone for Frozen Tempest.

Interrupt / Priority: Fractured Shivercores are the priority target; reduce Winter's Shroud pressure.

Avoid: Raging Squalls and unassigned Rimeshatter zones.

Defensive: Use a personal during Frozen Tempest or high Frost vulnerability.

Wipe Mechanic: An unsoaked Rimeshatter damages and roots the whole party.

Quick reminder: Kill cores → soak fragment → get inside.

AFTER SENTINEL OF WINTER — HEART OF RAGE

Grizzled Warbringer — Poison Spear Volley: Move out of impact circles; current PTR travel time is 3 seconds.

Grizzled Warbringer — Primal Echo: Use a personal if targeted and avoid adding spear damage.

Bonded Beasttamer — Current PTR ability package: Priority target; exact current interrupt list requires live verification.

Loyal Saberfang — Fixate (cast name unconfirmed): Priority kill; targeted player kites without crossing the group.

Loa Speaker Nanea — Volatile Totem: Immediate swap to Volatile Totems. Exact release behaviour requires live verification.

NALORAKK

Your Job: Place Echoing Maul at an outside edge. Intercept one assigned echo during Fury of the War God. Return without crossing stored echoes.

Interrupt / Priority: No boss interrupt priority confirmed; mechanic execution is the priority.

Avoid: Overlapping Maul markers and standing near stored echoes when they repeat.

Defensive: Use a personal before a dangerous Fury or Onslaught sequence.

Wipe Mechanic: Poorly placed echoes repeat Echoing Maul and can make the arena unusable.

Quick reminder: Drop outside → intercept one lane → avoid stored echoes.

VERIFICATION AND SOURCES

LIVE CHECK: Confirm Glacial Revenant, Frigid Mauler, Terra Rumbler, Bonded Beasttamer, Loyal Saberfang and Volatile Totem details before Version 1.0.
