KING'S REST **DPS PLAYBOOK**

Midnight Season 2 • Patch 12.1.0 PTR • Version 0.5 Pre-Season

Dungeon Overview

Interrupt first: Shadow Bolt Volley; Hex; Wretched Discharge; Poison Nova.

Kill first: Explosive Totem; Healing Tide Totem; Animated Gold.

Practical tip: Assign interrupts, gold placement and the first Pool of Darkness before starting.

Opening Trash — Before The Golden Serpent

Shadow-Borne Witch Doctor — Shadow Bolt Volley: Interrupt; this is the must-stop cast.

Animated Guardian — Suppression Slam: Dodge the aimed frontal and stun.

Shadow-Borne Champion — Released Inhibitors: Soothe the Haste enrage.

Minion of Zul — Bound by Shadow: Purge; control the beam-marked Fixate.

The Golden Serpent

Your Job: Place Spit Gold tightly. Root, slow, stun or knock Animated Gold back. Kill adds together before returning to the boss.

Interrupt / Priority: Animated Gold is the priority target. Control is more valuable than early boss damage.

Avoid: Serpentine Gust. Standing between Animated Gold and the boss.

Defensive: Personal if Spit Gold overlaps Gust or add pressure.

Wipe Mechanic: Tunnelling the boss while Animated Gold reaches it.

Quick Reminder: Stack gold → control adds → leave early for Gust.

Relevant Trash — The Golden Serpent to Mchimba

Seneschal M'bara — Induce Regeneration: Interrupt or purge the heal.

Guard Captain Atu — Axe Barrage: Stop the channel.

King Timalji — Bladestorm: Run out; do not drag it through allies.

Purification Construct — Purification Beam: Follow the rotating beam.

Mchimba the Embalmer

Your Job: Use Struggle once if entombed. Open the shaking coffin if free. Swap to Half-Finished Mummies.

Interrupt / Priority: Half-Finished Mummy — Wretched Discharge: interrupt. Correct coffin before boss damage.

Avoid: Burn Corruption, Burning Ground and Explosive Acids.

Defensive: Personal for Drain Fluids or Awakening Slam.

Wipe Mechanic: Wrong coffin plus a missed Wretched Discharge.

Quick Reminder: Shaking coffin first → kick the mummy.

DPS PLAYBOOK — CONTINUED

King's Rest • Full guide continued • Patch 12.1.0 PTR

Relevant Trash — Mchimba to The Council of Tribes

Royal Berserker — Bloodthirsty Axe: Plan mitigation for heavy physical pressure.

Spectral Hex Priest — Hex: Interrupt the long control effect.

Spectral Shaman — Healing Tide Totem: Kill the totem immediately.

Honored Raptor — Hunting Leap: Leave the landing cleave.

The Council of Tribes

Your Job: Join Barrel Through. Swap instantly to Explosive Totem. Keep Poison Nova assigned.

Interrupt / Priority: Zanzal — Poison Nova: interrupt. Explosive Totem — Explode: kill first. Lightning Bolt only when Nova is covered.

Avoid: Whirling Axes. Chasing through hazards for uptime.

Defensive: Personal for Severing Axe or a bad overlap.

Wipe Mechanic: Missed soak, Poison Nova or Explosive Totem.

Quick Reminder: Soak together → Explosive Totem first → never miss Nova.

Final Trash — The Council to Dazar

Shadow of Zul — Shadow Barrage: Sustained tank magic damage.

Shadow of Zul — Dark Revelation: Two targets move 20+ yards away.

Shadow of Zul — Pool of Darkness: Use the assigned soak plan.

Minion of Zul — Bound by Shadow: Purge, then control Fixate.

Dazar, the First King

Your Job: Swap to Reban. Move Quaking Leap away. Respect the redesigned ability sequence.

Interrupt / Priority: Reban is the priority add. Maintain control without standing in raptor frontals.

Avoid: Impaling Spear lines, leap impacts and raptor frontals.

Defensive: Personal for Gilded Destruction and its DoT.

Wipe Mechanic: Greeding uptime during spears or leap before Gilded Destruction.

Quick Reminder: Leap out → dodge spears → defensive for Gilded.
