

# KING'S REST **HEALER QUICK SHEET**

Midnight Season 2 • Patch 12.1.0 PTR • Version 0.5 Pre-Season

## PRIORITY TRASH CALLS — IN DUNGEON ORDER

**Shadow-Borne Witch Doctor — Shadow Bolt Volley:** Interrupt; this is the must-stop cast.

**Seneschal M'bara — Induce Regeneration:** Interrupt or purge the heal.

**Spectral Shaman — Healing Tide Totem:** Kill the totem immediately.

**Shadow of Zul — Dark Revelation:** Two targets move 20+ yards away.

### THE GOLDEN SERPENT

**ACTION:** Prioritise Spit Gold targets.

**REMEMBER:** Track Spit Gold → safe Gust position → stabilise loose adds.

**WIPE:** Luster sharply increases pressure if Animated Gold reaches the boss.

### THE COUNCIL OF TRIBES

**ACTION:** Prepare for Kula's bleed, Aka'ali's tank spike and Zanzal's totems.

**REMEMBER:** Heal Axe → external Backhand → Explosive Totem first.

**WIPE:** Poison Nova or Explode completing.

**HEALER SURVIVAL:** Confirm poison and disease coverage before the key. Danger windows: Berserkers, Spit Gold, Awakening Slam, Council overlaps and Gilded Destruction.

**LIVE VERIFY:** Final enemy forces, dispel types, Dazar sequence and post-PTR tuning.

### MCHIMBA THE EMBALMER

**ACTION:** Heal Desiccation targets above 90%.

**REMEMBER:** Desiccation ends above 90% → correct coffin → cover Slam.

**WIPE:** Missed Wretched Discharge applies a dangerous group disease.

### DAZAR, THE FIRST KING

**ACTION:** Track increasing Blade Combo damage.

**REMEMBER:** Top group → cooldown Gilded → cover late Combo.

**WIPE:** Entering Gilded Destruction with players already low.

# KING'S REST **HEALER PLAYBOOK**

Midnight Season 2 • Patch 12.1.0 PTR • Version 0.5 Pre-Season

## Dungeon Overview

**Dispel plan:** Confirm poison and disease coverage before the key.

**Healing checks:** Spit Gold; Awakening Slam; Council overlaps; Gilded Destruction.

**Practical tip:** Assign interrupts, gold placement and the first Pool of Darkness before starting.

## Opening Trash — Before The Golden Serpent

**Shadow-Borne Witch Doctor — Shadow Bolt Volley:** Interrupt; this is the must-stop cast.

**Animated Guardian — Suppression Slam:** Dodge the aimed frontal and stun.

**Shadow-Borne Champion — Released Inhibitors:** Soothe the Haste enrage.

**Minion of Zul — Bound by Shadow:** Purge; control the beam-marked Fixate.

## The Golden Serpent

**Your Job:** Prioritise Spit Gold targets. Keep healing while the group controls Animated Gold. Watch the tank at every Tail Thrash.

**Heal:** Spit Gold is the main targeted damage. Recover anyone displaced by Serpentine Gust.

**Avoid:** Gust push and Molten Gold. Standing where the marked gold pile blocks your escape.

**Cooldown:** Use group healing if Spit Gold overlaps Gust or loose adds.

**Wipe Mechanic:** Luster sharply increases pressure if Animated Gold reaches the boss.

**Quick Reminder:** Track Spit Gold → safe Gust position → stabilise loose adds.

## Relevant Trash — The Golden Serpent to Mchimba

**Seneschal M'bara — Induce Regeneration:** Interrupt or purge the heal.

**Guard Captain Atu — Axe Barrage:** Stop the channel.

**King Timalji — Bladestorm:** Run out; do not drag it through allies.

**Purification Construct — Purification Beam:** Follow the rotating beam.

## Mchimba the Embalmer

**Your Job:** Heal Desiccation targets above 90%. Prepare for Awakening Slam. Help identify the correct coffin.

**Heal:** Drain Fluids target. Awakening Slam group damage. Any disease damage after a missed Wretched Discharge.

**Avoid:** Burn Corruption, Burning Ground and Explosive Acids.

**Cooldown:** Group cooldown for Awakening Slam when another mechanic overlaps.

**Wipe Mechanic:** Missed Wretched Discharge applies a dangerous group disease.

**Quick Reminder:** Desiccation ends above 90% → correct coffin → cover Slam.

# HEALER PLAYBOOK — CONTINUED

King's Rest • Full guide continued • Patch 12.1.0 PTR

## Relevant Trash — Mchimba to The Council of Tribes

**Royal Berserker — Bloodthirsty Axe:** Plan mitigation for heavy physical pressure.

**Spectral Hex Priest — Hex:** Interrupt the long control effect.

**Spectral Shaman — Healing Tide Totem:** Kill the totem immediately.

**Honored Raptor — Hunting Leap:** Leave the landing cleave.

## The Council of Tribes

**Your Job:** Prepare for Kula's bleed, Aka'ali's tank spike and Zanazal's totems. Keep the Severing Axe target stable. Join Barrel Through.

**Heal:** Severing Axe target. Tank after Debilitating Backhand. Group after charge or totem overlap.

**Avoid:** Whirling Axes and totem danger zones.

**Cooldown:** External for Backhand. Group cooldown if soak, axes and totems overlap.

**Wipe Mechanic:** Poison Nova or Explode completing.

**Quick Reminder:** Heal Axe → external Backhand → Explosive Totem first.

## Final Trash — The Council to Dazar

**Shadow of Zul — Shadow Barrage:** Sustained tank magic damage.

**Shadow of Zul — Dark Revelation:** Two targets move 20+ yards away.

**Shadow of Zul — Pool of Darkness:** Use the assigned soak plan.

**Minion of Zul — Bound by Shadow:** Purge, then control Fixate.

## Dazar, the First King

**Your Job:** Track increasing Blade Combo damage. Heal Quaking Leap targets after they move. Top the group before Gilded Destruction.

**Heal:** Tank during Blade Combo and Savage Maul. Gilded Destruction and its 15-second DoT.

**Avoid:** Spear lines and leap impacts while keeping the group in range.

**Cooldown:** Assign a major healing cooldown to Gilded Destruction. External late Blade Combo hits.

**Wipe Mechanic:** Entering Gilded Destruction with players already low.

**Quick Reminder:** Top group → cooldown Gilded → cover late Combo.

## Sources and Release Check

Sources: Blizzard PTR testing/tuning (July 2026); Wowhead Season 2 overview, PTR tuning and King's Rest guides; Icy Veins Patch 12.1 coverage; Warcraft Wiki Season 2 reference.

**LIVE VERIFY:** Four complete current Season 2 guides were not yet available; confirm final release mechanics before Version 1.0.
