

KING'S REST TANK QUICK SHEET

Midnight Season 2 • Patch 12.1.0 PTR • Version 0.5 Pre-Season

PRIORITY TRASH CALLS — IN DUNGEON ORDER

Shadow-Borne Witch Doctor — Shadow Bolt Volley: Interrupt; this is the must-stop cast.

Seneschal M'bara — Induce Regeneration: Interrupt or purge the heal.

Spectral Shaman — Healing Tide Totem: Kill the totem immediately.

Shadow of Zul — Dark Revelation: Two targets move 20+ yards away.

THE GOLDEN SERPENT

ACTION: Tank away from the marked gold pile.

REMEMBER: Boss away from gold → mitigate Tail Thrash → move from adds.

WIPE: Animated Gold reaching the boss grants Luster: a shield and damage increase.

THE COUNCIL OF TRIBES

ACTION: Position the active boss so axes, charges and totems stay visible.

REMEMBER: Backhand defensive → soak charge → kick Nova.

WIPE: Missed Barrel Through, Poison Nova or Explosive Totem.

TANK SURVIVAL: Plan stops, soothes and pulls before the key. Danger windows: Royal Berserkers, Shadow of Zul, Debilitating Backhand and Blade Combo.

LIVE VERIFY: Final enemy forces, dispel types, Dazar sequence and post-PTR tuning.

MCHIMBA THE EMBALMER

ACTION: Keep clear paths to every coffin.

REMEMBER: See Struggle → open that coffin → collect mummies.

WIPE: Wrong coffin adds a mummy; Wretched Discharge must be interrupted.

DAZAR, THE FIRST KING

ACTION: Face Dazar away.

REMEMBER: Late Combo hurts most → control Reban → brace for Gilded.

WIPE: Gilded Destruction hits the group and leaves a 15-second Fire DoT.

KING'S REST TANK PLAYBOOK

Midnight Season 2 • Patch 12.1.0 PTR • Version 0.5 Pre-Season

Dungeon Overview

Interrupt first: Shadow-Borne Witch Doctor — Shadow Bolt Volley; save a stop for lethal casts.

Dangerous tank damage: Royal Berserker — Bloodthirsty Axe; Shadow of Zul — Shadow Barrage.

Practical tip: Assign interrupts, gold placement and the first Pool of Darkness before starting.

Opening Trash — Before The Golden Serpent

Shadow-Borne Witch Doctor — Shadow Bolt Volley: Interrupt; this is the must-stop cast.

Animated Guardian — Suppression Slam: Dodge the aimed frontal and stun.

Shadow-Borne Champion — Released Inhibitors: Soothe the Haste enrage.

Minion of Zul — Bound by Shadow: Purge; control the beam-marked Fixate.

The Golden Serpent

Your Job: Tank away from the marked gold pile. Mitigate Tail Thrash. Move the boss away from Animated Gold after Lucre's Call.

Avoid: Serpentine Gust and its push. Dragging the boss through Molten Gold.

Defensive: Active mitigation for Tail Thrash. Extra coverage if Gust, Spit Gold and adds overlap.

Wipe Mechanic: Animated Gold reaching the boss grants Luster: a shield and damage increase.

Quick Reminder: Boss away from gold → mitigate Tail Thrash → move from adds.

Relevant Trash — The Golden Serpent to Mchimba

Seneschal M'bara — Induce Regeneration: Interrupt or purge the heal.

Guard Captain Atu — Axe Barrage: Stop the channel.

King Timalji — Bladestorm: Run out; do not drag it through allies.

Purification Construct — Purification Beam: Follow the rotating beam.

Mchimba the Embalmer

Your Job: Keep clear paths to every coffin. Open the coffin showing Struggle. Pick up Half-Finished Mummies.

Avoid: Burn Corruption, Burning Ground and Explosive Acids.

Defensive: Use mitigation if Awakening Slam overlaps mummy pressure.

Wipe Mechanic: Wrong coffin adds a mummy; Wretched Discharge must be interrupted.

Quick Reminder: See Struggle → open that coffin → collect mummies.

TANK PLAYBOOK — CONTINUED

King's Rest • Full guide continued • Patch 12.1.0 PTR

Relevant Trash — Mchimba to The Council of Tribes

Royal Berserker — Bloodthirsty Axe: Plan mitigation for heavy physical pressure.

Spectral Hex Priest — Hex: Interrupt the long control effect.

Spectral Shaman — Healing Tide Totem: Kill the totem immediately.

Honored Raptor — Hunting Leap: Leave the landing cleave.

The Council of Tribes

Your Job: Position the active boss so axes, charges and totems stay visible. Major defensive for Debilitating Backhand. Reserve an interrupt for Poison Nova.

Avoid: Whirling Axes. Aiming Barrel Through away from the group.

Defensive: Major mitigation for Debilitating Backhand and following hits.

Wipe Mechanic: Missed Barrel Through, Poison Nova or Explosive Totem.

Quick Reminder: Backhand defensive → soak charge → kick Nova.

Final Trash — The Council to Dazar

Shadow of Zul — Shadow Barrage: Sustained tank magic damage.

Shadow of Zul — Dark Revelation: Two targets move 20+ yards away.

Shadow of Zul — Pool of Darkness: Use the assigned soak plan.

Minion of Zul — Bound by Shadow: Purge, then control Fixate.

Dazar, the First King

Your Job: Face Dazar away. Cover later Blade Combo hits. Pick up Reban and manage Savage Maul.

Avoid: Quaking Leap impacts and Impaling Spear lines. Turning Dazar or Reban through melee.

Defensive: Major defensive for late Blade Combo. Additional coverage if Savage Maul overlaps reduced armour.

Wipe Mechanic: Gilded Destruction hits the group and leaves a 15-second Fire DoT.

Quick Reminder: Late Combo hurts most → control Reban → brace for Gilded.
