

RUBY LIFE POOLS

DPS QUICK SHEET

Midnight Season 2 • Patch 12.1 PTR • Version 0.5 Pre-Season • Read in dungeon order

PRIORITY TRASH CALLS

Flashfrost Chillweaver — Ice Shield: Highest interrupt priority; kill the Chillweaver first.

Flashfrost Earthshaper — Tectonic Slam: Use a stun or other hard stop.

Primalist Cinderweaver — Cinderbolt: Interrupt; purge or control Burning Ambition if casts become unsafe.

Flame Channeler — Shock Blast: Interrupt first; do not overlap the assigned kick.

BOSS QUICK CARDS

1 MELIDRUSSA CHILLWORN

Your Job: Place Hailbombs together.

Interrupt / Priority: Kick Frigid Shard as assigned.

Wipe Mechanic: Slow shield damage or Hailbombs spread across the arena.

Quick Reminder: Place ice together. Kick. Burn the shield.

2 KOKIA BLAZEHOOF

Your Job: Control Ritual of Blazebinding placement.

Interrupt / Priority: Kick Roaring Blaze.

Wipe Mechanic: Ignoring the add or detonating Boulder against nearby terrain.

Quick Reminder: Add first. Kick. Give Boulder a lane.

3 KYRAKKA AND ERKHART STORMVEIN

Your Job: Prioritise Kyrakka whenever she is targetable.

Interrupt / Priority: No routine boss kick; Kyrakka remains the damage priority.

Wipe Mechanic: Fire through the centre or greed inside breath.

Quick Reminder: Kill Kyrakka. Edge the fire. Move.

PRE-SEASON CHECK: Confirm the live route, enemy forces, Dungeon Journal wording and launch hotfixes.

RUBY LIFE POOLS — DPS PLAYBOOK

Midnight S2 • Patch 12.1 PTR • v0.5 Pre-Season

DUNGEON OVERVIEW

DPS: Highest priorities: Ice Shield, Tectonic Slam, Roaring Blaze and Shock Blast.

DPS: Switch immediately to boss adds and shields.

DPS: Hard stops matter as much as interrupts.

DPS: PTR route and final-trash priority list require live verification.

OPENING TRASH — BEFORE MELIDRUSSA

Flashfrost Chillweaver — Ice Shield: Highest interrupt priority; kill the Chillweaver first.

Flashfrost Earthshaper — Tectonic Slam: Use a stun or other hard stop.

Primal Juggernaut — Excavating Blast: Sidestep the impact and puddle.

Defier Draghar — Blazing Rush: Bait toward a wall, then dodge the charge.

MELIDRUSSA CHILLWORN

Your Job: Place Hailbombs together. Swap to whelps and Ice Bulwark immediately.

Interrupt / Priority: Kick Frigid Shard as assigned. Whelps and Ice Bulwark before the boss.

Avoid: Do not cross Hailbombs to maintain uptime. Move early with Chillstorm.

Defensive: Use a personal for Chillstorm or Frost Overload.

Wipe Mechanic: Slow shield damage or Hailbombs spread across the arena.

Quick Reminder: Place ice together. Kick. Burn the shield.

RUBY OVERLOOK TRASH — BETWEEN BOSSES 1 & 2

Primalist Cinderweaver — Cinderbolt: Interrupt; purge or control Burning Ambition if casts become unsafe.

Primalist Flamedancer — Flame Dance: Hard stop it; leave Blaze of Glory on death.

Blazebound Destroyer — Burnout: Run out before the death explosion.

Thunderhead — Storm Breath: Sidestep the frontal; use a personal for Rolling Thunder if needed.

KOKIA BLAZEHOOF

Your Job: Control Ritual of Blazebinding placement. Swap instantly to the Blazebound Firestorm.

Interrupt / Priority: Kick Roaring Blaze. Firestorm add before Kokia.

Avoid: Leave before Burnout. Do not stand in Boulder or permanent fire.

Defensive: Use a personal for Inferno, especially after a missed cast.

Wipe Mechanic: Ignoring the add or detonating Boulder against nearby terrain.

Quick Reminder: Add first. Kick. Give Boulder a lane.

FINAL APPROACH — BETWEEN BOSSES 2 & 3

Flame Channeler — Shock Blast: Interrupt first; do not overlap the assigned kick.

High Channeler Ryvati — Tempest Stormshield: Break the shield quickly; PTR scaling was corrected.

Tempest Channeler — Lightning Storm: Use a personal and keep damage going while safe.

Live verification: The PTR package was simplified; confirm the final live cast list, dispels and priority order.

KYRAKKA AND ERKHART STORMVEIN

Your Job: Prioritise Kyrakka whenever she is targetable. Place Inferno Spit at the edge without cutting off the group.

Interrupt / Priority: No routine boss kick; Kyrakka remains the damage priority.

Avoid: Cancel the cast and move for Roaring Firebreath. Adjust before Winds of Change moves fire.

Defensive: Use a personal for Inferno Spit expiration or a bad overlap.

Wipe Mechanic: Fire through the centre or greed inside breath.

Quick Reminder: Kill Kyrakka. Edge the fire. Move.

VERIFICATION

Sources: Blizzard/PTR notes, Wowhead, Method, Icy Veins and BlizzPro were cross-checked.

Live verification: Final timer, enemy forces, route, retained trash abilities, Frigid Shard and post-PTR tuning.
