

RUBY LIFE POOLS

TANK QUICK SHEET

Midnight Season 2 • Patch 12.1 PTR • Version 0.5 Pre-Season • Read in dungeon order

PRIORITY TRASH CALLS

Primal Juggernaut — Crushing Smash: Mitigate; face the mob away and sidestep Excavating Blast.

Flashfrost Earthshaper — Tectonic Slam: Call a hard stop; do not combine several dangerous casts.

Blazebound Destroyer — Inferno: Keep the pack stable; leave before Burnout finishes.

High Channeler Ryvati — Tempest Stormshield: Keep threat and move only when necessary; shield tuning changed on PTR.

BOSS QUICK CARDS

1 MELIDRUSSA CHILLWORN

Your Job: Hold Melidrusa steady and preserve a clear Hailbomb lane.

Defensive: Cover whelp pickup and any missed Frigid Shard.

Wipe Mechanic: Loose whelps or a blocked safe path during Chillstorm.

Quick Reminder: Kick Frigid Shard. Gather whelps. Protect the floor.

3 KYRAKKA AND ERKHART STORMVEIN

Your Job: Keep Kyrakka hittable whenever possible.

Defensive: Cover heavy hits and dangerous Inferno Spit overlaps.

Wipe Mechanic: Breath through the group or no safe route through fire.

Quick Reminder: Protect the group from breath. Preserve the path.

2 KOKIA BLAZEHOOF

Your Job: Cover Searing Blows and its bleed.

Defensive: Always cover Searing Blows.

Wipe Mechanic: Dying while the group swaps to the add or holding the boss in Burnout.

Quick Reminder: Defensive. Cleave. Move before Burnout.

PRE-SEASON CHECK: Confirm the live route, enemy forces, Dungeon Journal wording and launch hotfixes.

RUBY LIFE POOLS — TANK PLAYBOOK

Midnight S2 • Patch 12.1 PTR • v0.5 Pre-Season

DUNGEON OVERVIEW

Tank: Plan controlled pulls around eggs and patrols.

Tank: Tank checks: Crushing Smash, Steel Barrage, Fire Maw, Thunder Jaw and Searing Blows.

Tank: Face frontals away and preserve safe knockback lanes.

Tank: PTR route, count and final-trash package require live verification.

OPENING TRASH — BEFORE MELIDRUSSA

Primal Juggernaut — Crushing Smash: Mitigate; face the mob away and sidestep Excavating Blast.

Flashfrost Earthshaper — Tectonic Slam: Call a hard stop; do not combine several dangerous casts.

Flashfrost Chillweaver — Ice Shield: Mark as the caster priority; help assign interrupts.

Defier Draghar — Steel Barrage: Use active mitigation for the full channel; bait Blazing Rush toward a wall.

MELIDRUSSA CHILLWORN

Your Job: Hold Melidrussa steady and preserve a clear Hailbomb lane. Interrupt Frigid Shard on the current PTR.

Avoid: Do not let Chillstorm pull you through Hailbombs. Do not step on extra eggs before the encounter.

Defensive: Cover whelp pickup and any missed Frigid Shard. Keep mitigation rolling during shield phases.

Wipe Mechanic: Loose whelps or a blocked safe path during Chillstorm.

Quick Reminder: Kick Frigid Shard. Gather whelps. Protect the floor.

RUBY OVERLOOK TRASH — BETWEEN BOSSES 1 & 2

Blazebound Destroyer — Inferno: Keep the pack stable; leave before Burnout finishes.

Primalist Flamedancer — Flame Dance: Call a hard stop; move out of Blaze of Glory on death.

Thunderhead — Thunder Jaw: Mitigate and position so the knockback cannot throw you off.

Flamegullet — Fire Maw: Mitigate; face Flame Breath away and save resources for Molten Blood.

TANK PLAYBOOK — CONTINUED

Ruby Life Pools • Full guide continued • Midnight S2 • Patch 12.1 PTR • v0.5 Pre-Season

KOKIA BLAZEHOOF

Your Job: Cover Searing Blows and its bleed. Bring the Blazebound Firestorm close enough for safe cleave.

Avoid: Sidestep Molten Boulder. Leave the add before Burnout finishes.

Defensive: Always cover Searing Blows. Request an external or bleed removal if stacks become unsafe.

Wipe Mechanic: Dying while the group swaps to the add or holding the boss in Burnout.

Quick Reminder: Defensive. Cleave. Move before Burnout.

FINAL APPROACH — BETWEEN BOSSES 2 & 3

High Channeler Ryvati — Tempest Stormshield: Keep threat and move only when necessary; shield tuning changed on PTR.

Flame Channeler — Shock Blast: Call the interrupt and avoid stacking dangerous casters.

Tempest Channeler — Lightning Storm: Use a defensive for unavoidable group pressure.

Live verification: The PTR package was simplified; confirm the final live cast list, dispels and priority order.

KYRAKKA AND ERKHART STORMVEIN

Your Job: Keep Kyrakka hittable whenever possible. Face Roaring Firebreath away after she lands.

Avoid: Do not let wind push you into fire or off the platform.

Defensive: Cover heavy hits and dangerous Inferno Spit overlaps.

Wipe Mechanic: Breath through the group or no safe route through fire.

Quick Reminder: Protect the group from breath. Preserve the path.

VERIFICATION

Sources: Blizzard/PTR notes, Wowhead, Method, Icy Veins and BlizzPro were cross-checked.

Live verification: Final timer, enemy forces, route, retained trash abilities, Frigid Shard and post-PTR tuning.
