

THE BLINDING VALE TANK QUICK SHEET

Midnight Season 2 • Patch 12.1 PTR • Playbook v0.9 • 27 July 2026

PRIORITY TRASH CALLS

INTERRUPT: Radiant Spellower — Frantic Blooming; Lightwarden Ruia — Warden's Wrath.

MITIGATE: Luminous Thornmaw — Grievous Gash; Virid Grovekeeper — Earthrupture Strike.

POSITION: Luminous Thornmaw — Solar Breath; Sporeblight Belcher — Lightwarden's Blight.

ROUTE: Current PTR left path; final placement requires live verification.

BOSS QUICK CARDS

1 LIGHTBLOSSOM TRINITY

TANK: Steady bosses, mitigate Slam, block the beam.

AVOID: Fertile Loam, seed impacts and Fan of Thorns within 15 yd.

DEFENSIVE: Mitigate Bedrock Slam; use a personal during Bedrock Surge overlaps.

WIPE: Block Lightblossom Beam; Light-Gorged becomes Overgrowth after 10 sec.

3 LIGHTWARDEN RUIA

TANK: Kick Wrath, walk the cones, let the healer top.

AVOID: Lightfall, Lightfire beams and repeated Pulverizing Strikes hits.

DEFENSIVE: Rotate mitigation through Pulverizing Strikes; major personal below 40%.

WIPE: Grievous Thrash clears only at full health; Lightfire damages and silences.

2 IKUZZ THE LIGHT HUNTER

TANK: Clear roots, open the lane, never let Ikuzz connect.

AVOID: Standing within 7 yd during Bloodthirsty Gaze or blocking the kite path.

DEFENSIVE: Use a personal for Lightcrazed Frenzy or a bad Verdant Stomp recovery.

WIPE: If Ikuzz catches the fixate, Incise and Crunched add a bleed and 5 sec stun.

4 ZIEKKET

TANK: Beam Lashers, manage orbs, brace for Thornspike.

AVOID: Lightsap puddles and unassigned Essence orbs.

DEFENSIVE: Mitigate Thornspike and its bleed; personal during Oozing Xylem.

WIPE: Essence reaching Ziekket triggers Fluorescent Outburst, shield and damage gain.

THE BLINDING VALE — TANK PLAYBOOK

Midnight Season 2 • Patch 12.1 PTR • Playbook v0.9 • 27 July 2026

Dungeon Overview

Interrupt first: Radiant Spellsover — Frantic Blooming; Lightwarden Ruia — Warden's Wrath.

Dangerous tank damage: Luminous Thornmaw — Grievous Gash; Trinity — Bedrock Slam; Ziekket — Thornspike.

Pull warnings: Do not combine Pollination, Spiny Shield and heavy caster pressure without stops.

Practical tip: Use the current left-path PTR route; keep death pools and frontals away from the party.

Opening Trash — Before Lightblossom Trinity

Radiant Spellsover — Frantic Blooming: Stop the 8 sec channel before dormant Lashers awaken.

Virid Grovekeeper — Uproot: Move out before the roots erupt and knock back.

Sporeblight Belcher — Spouting Floret: Prepare for repeated party damage.

Lightblossom Trinity

Your Job: Keep the trio steady for cleave; point movement away; assign the beam intercept.

Avoid: Fertile Loam, seed impacts and Fan of Thorns within 15 yd.

Defensive: Mitigate Bedrock Slam; use a personal during Bedrock Surge overlaps.

Wipe Mechanic: Block Lightblossom Beam; Light-Gorged becomes Overgrowth after 10 sec.

Quick Reminder: Steady bosses, mitigate Slam, block the beam.

Bridge Trash — Before Ikuzz

Underbrush Stalker — Thornblade: Watch the backstab and 6 sec bleed.

Thorny Saptor — Thornclaw Leap: Sidestep the repeated cone and return lane.

Spineshield Beetle — Spiny Shield: Stop attacking into the reflect; break the absorb.

Ikuzz the Light Hunter

Your Job: Keep roots out of the kite lane; use Crushing Footfalls to destroy them.

Avoid: Standing within 7 yd during Bloodthirsty Gaze or blocking the kite path.

Defensive: Use a personal for Lightcrazed Frenzy or a bad Verdant Stomp recovery.

Wipe Mechanic: If Ikuzz catches the fixate, Incise and Crunched add a bleed and 5 sec stun.

Quick Reminder: Clear roots, open the lane, never let Ikuzz connect.

TANK PLAYBOOK — CONTINUED

The Blinding Vale • Midnight Season 2 • Patch 12.1 PTR • Playbook v0.9 • 27 July 2026

Lower Vale Trash — Before Lightwarden Ruia

Luminous Thornmaw — Grievous Gash: Clear the tank bleed by reaching full health.

Overgrown Hydra — Lightmaw Beams: Spread and keep moving out of the 4 yd beams.

Lightgorged Lasher — Lightboom Pollination: Break the shield before nearby enemies gain 50% damage and haste.

Lightwarden Ruia

Your Job: Face bear cones away; interrupt Warden's Wrath; create a clean top-up window.

Avoid: Lightfall, Lightfire beams and repeated Pulverizing Strikes hits.

Defensive: Rotate mitigation through Pulverizing Strikes; major personal below 40%.

Wipe Mechanic: Grievous Thrash clears only at full health; Lightfire damages and silences.

Quick Reminder: Kick Wrath, walk the cones, let the healer top.

Final Approach — Before Ziekket

Potatoad Matriarch — Toxic Spew: Prepare for party damage and a 9 sec toxin.

Potatoad Matriarch — Toadspawn: Kill eggs and newborn Potadpoles quickly.

Sporeblight Belcher — Belch Spores: Move from every impact during the channel.

Ziekket

Your Job: Aim Concentrated Lightbeam through dormant Lashers; control boss and orb lanes.

Avoid: Lightsap puddles and unassigned Essence orbs.

Defensive: Mitigate Thornspike and its bleed; personal during Oozing Xylem.

Wipe Mechanic: Essence reaching Ziekket triggers Fluorescent Outburst, shield and damage gain.

Quick Reminder: Beam Lashers, manage orbs, brace for Thornspike.
